

Announcing the NC Medical Society

Physician and Patient Resource Center (PRC)

Your Portal to Improving the Health of Your Patients

www.ncmsprc.org

Use this new resource for links to the latest:

- health assessment tools
- clinical guidelines by major peer-reviewed websites
- helpful links to sites focused on improving the quality of care for your patients
- tools for your patients, including the **Health Snapshot**, a way for your patients to keep a history of their care and medications
- CME opportunities
- And much more!
