NORTH CAROLINA CHAPTER 2012 SCIENTIFIC SESSION

February 24-25, 2012 • Grandover Resort • Greensboro, NC

This continuing medical education activity is sponsored by the American College of Physicians

2012 SCIENTIFIC SESSION

ACTIVITY DESCRIPTION

PURPOSE AND TARGET AUDIENCE

This meeting is designed for general internists, subspecialty internists, family physicians, fellows in subspecialty training, allied health practitioners, residents, and medical students interested in internal medicine. The purpose is to improve diagnosis and treatment skills and provide updates on new developments in the health care climate in North Carolina. This is the only forum for internal medicine physicians in the state to convene, confer with colleagues, and update knowledge and skills!

EDUCATIONAL OBJECTIVES

At the conclusion of this live activity, participants should be able to:

- Apply updated knowledge of neurology, gastroenterology, endocrinology, infectious diseases and palliative care to clinical practice;
- Understand recent advances in the management of hepatitis C, clostridium difficile disease and stroke;
- Increase competence in performing an examination of the upper extremity and conducting a motivational interview;
- Evaluate how the Patient Centered Medical Home may promote improvement in practice performance and patient outcomes.

ACCREDITATION

The American College of Physicians (ACP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT

The American College of Physicians designates this live activity for a maximum of 10.5 *AMA PRA Category 1 credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE

The American College of Physicians adheres to ACCME Essential Areas and policies regarding industry support of continuing medical education. Commercial support for the program and faculty relationships within the industry will be disclosed at the activity. Speakers will also state when off-label or experimental drugs or devices are incorporated in their presentations.

AMERICANS WITH DISABILITIES ACT

The NC,ACP is fully committed to the principle of equal educational opportunities for all individuals and does not discriminate on the basis of any characteristics protected by federal or state law. If you require any of the auxiliary aids or services identifies in the Americans with Disabilities Act in order to participate in this conference, please call the NC,ACP at (919) 833-3836 no later than ten business days before the date of the activity.

2012 SCIENTIFIC SESSION MEETING DETAILS

MEETING HIGHLIGHTS

Program Chair Peter Lichstein, MD, FACP, FAACH, has assembled an outstanding faculty who will address current topics of interest, and back by popular demand, participants will have their choice of three clinical skills sessions in addition to the lectures. Other meeting features for your enjoyment include:

- The Associates Poster Competition;
- The Governor's Awards Dinner, at which the 2012 Laureate Award and Volunteerism and Community Service Award winners and new Chapter fellows will be recognized;
- The Associates' Cocktail Hour;
- Special Interest Group Lunch Roundtables (your choice of six), or a general lunch;
- Chief Resident Presentations;
- The Chapter Business Meeting and Town Hall Meeting;
- An exhibit area presenting products and services of interest to physicians.

The attire is business casual for the meeting and social events.

LUNCH ROUNDTABLE OPTIONS

Included in the registration fee is your choice of lunch option. For 2012, special interest groups will meet over lunch: Associates (which will include a panel of internists), Cultural Diversity and Disparities, Mentoring to Fellowship in ACP, Volunteering in Medicine, Women in Internal Medicine, and Young Physicians (within 16 years of graduation from medical school). You may also choose the general lunch. For catering purposes, please pre-register for your choice of lunch option. Pre-registration is required and participants may choose only one.

MEETING REGISTRATION -- REDUCED FROM 2011 FEES!

Based on physician feedback, **registration fees have been reduced for the 2012 meeting!** The registration fee for ACP member physicians has been reduced 30%, to just \$175. The fee for non-member physicians is \$250, and for allied health professionals the fee is \$125 to \$150. Residents and medical students may attend free of charge. Registration fees include the two days of meeting sessions, the Friday evening reception, continental breakfast, lunch and breaks, as well as the CME certificate and course syllabus. You may register securely online at <https://www.123signup.com/event?id=csxkt>, or complete the form in this brochure and return it via fax or mail prior to Monday, January 30. After January 30, registration fees will increase.

DEADLINE / REGISTRATION CANCELLATION

Please note that refunds of registration fees will not be made after Friday, February 17. Refunds, less \$25, will be made for cancellations received prior to that date.
