### Activity Description

This meeting is designed for neurologists and will provide attendees an opportunity to increase their knowledge and improve their diagnosis and treatment skills.

### Educational Objectives

At the conclusion of this educational activity, participants should be able to:

- Discuss different types of paraneoplastic disorders
- Utilize current principles of diagnosis and management of Devic's syndrome
- Explain the interrelation of sleep and degenerative neurological disorders
- Evaluate the role of peripheral nerve and muscle ultrasound
- Enumerate the various current medical-legal malpractice issues
- Analyze current therapeutic concepts of hypothermia in neurological disorders
- Assess the evaluation and management of inflammatory myopathies

### Accreditation

This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Wake Area Health Education Center (AHEC) and the North Carolina Neurological Society. Wake AHEC is accredited by the North Carolina Medical Society to provide continuing medical education for physicians.

### Credit

Wake AHEC designates this educational activity for a maximum of **7.75 AMA PRA Category 1 Credit(s)<sup>TM</sup>**. Physicians should claim credit commensurate with the extent of their participation in the activity.

### Additional Credit

Other health professionals will receive Wake AHEC CEUs and a certificate of attendance from an AMA PRA Category 1<sup>TM</sup> activity. These certificates are accepted by the NC Boards for physician assistants, nurse practitioners, nurses, pharmacists, and respiratory therapists. License requirements are subject to change. Wake AHEC recommends that participants contact their licensing boards for specific questions.

Wake Area Health Education Center will provide .8 Continuing Education Units (7.75 contact hours) to participants upon completion of this activity.

### Disclosure

Wake AHEC and the NCNS adhere to ACCME Essential Areas and policies regarding industry support of continuing medical education. Commercial support for the program and faculty relationships within the industry will be disclosed at the activity. Speakers will also state when off-label or experimental use of drugs or devices is incorporated in their presentations.
