

NC Society of Pathologists 2010 Annual Meeting Friday, April 16, 2010

This course is designed for practicing pathologists, fellows, and residents and will focus on the appropriate diagnosis and classification of hematolymphoid malignancies based on the recently revised 2008 WHO classification of Tumours of Haematopoietic and Lymphoid Tissues, and ancillary methods. Additionally, presentations by two attorneys will update pathologists on their legal rights and obligations, and how to manage risk in their practices.

Register before March 20 for the early-bird discounted rate. Attire for the meeting is business casual.

Objectives

At the conclusion of this educational activity, participants should be able to:

- * Discuss the appropriate diagnosis and categorization of myeloid neoplasms according to the 2008 WHO classification of Tumours of Haematopoietic and Lymphoid Tissues.
- * Evaluate pertinent ancillary studies for the appropriate diagnosis and categorization of myeloid neoplasms.
- * Identify state managed care laws and how they protect patients and providers.
- * Discuss legal issues affecting the practice of pathology, including risk management.

Accreditation

This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Wake Area Health Education Center (AHEC) and the North Carolina Society of Pathologists. Wake AHEC is accredited by the ACCME to provide continuing medical education for physicians.

Credit

Wake AHEC designates this educational activity for a maximum of **4.5 AMA PRA Category 1 Credit(s)TM**. Physicians should claim credit commensurate with the extent of their participation in the activity. All attendees must sign in to receive credit.

Additional Credit

Other health professionals will receive Wake AHEC CEUs and a certificate of attendance from an AMA PRA Category 1TM activity. These certificates are accepted by the NC Boards for physician assistants, nurse practitioners, nurses, pharmacists, and respiratory therapists. License requirements are subject to change. Wake AHEC recommends that participants contact their licensing boards for specific questions.

Wake Area Health Education Center will provide .5 Continuing Education Units (4.5 contact hours) to participants upon completion of this activity.

Disclosure

Wake AHEC adheres to ACCME Essential Areas and policies regarding industry support of continuing medical education. Commercial support for the program and faculty relationships within the industry will be disclosed at the activity. Speakers will also state when off-label or experimental drugs or devices are incorporated in their presentations.

Americans with Disabilities Act

Wake AHEC and the NCSP are fully committed to the principle of equal educational opportunities for all individuals and do not discriminate on the basis of any characteristics protected by federal or state law.
