## **Jump-Start Your ICD-10 Conversion with CODEquest**

On Oct. 1, 2014, the biggest change to health care coding in more than 30 years — ICD-10-CM — goes into effect. Worried? Don't be. CODEquest holds the key to conquering ICD-10. CODEquest can help you transition to ICD-10 smoothly and easily. CODEquest 2014 is a four hour state- and ophthalmology-specific coding seminar from the nation's leader in ophthalmic education, the American Academy of Ophthalmology, and its practice management division, the American Academy of Ophthalmic Executives (AAOE). CODEquest's experienced instructors will show you how to attack every code and solve any coding conundrum in a systematic, logical way. If you want to be an effective and efficient coder, look no further than CODEquest, the premier coding seminar in ophthalmology. Conquering ICD-10-CM begins at CODEquest.

## **Who Should Attend CODEquest?**

Ophthalmologists, practice managers and administrators, billers and coders

## **What CODEquest Attendance Means for You**

CODEquest teaches you everything you need to know to:

- Prepare for ICD-10
- Ensure every procedure is reimbursed at the highest allowable level
- Confidently respond to or successfully appeal every audit
- Increase compliance and improve patient care by correctly documenting diagnosis and treatment
- Enhance employment skills and qualifications
- Reinforce key tactics for avoiding penalties and increasing the bottom line

# Information

The North Carolina Society of Eye Physicians and Surgeons invites you to CODEquest Conquering ICD-10-CM and an Ophthalmology Practice Management Seminar on Saturday, February 1, 2014, at the Grandover Resort and Conference Center in Greensboro, NC. Register by January 15 to receive the early-bird rate. Continental breakfast and lunch are included with the coding session; lunch is included with the practice management session. Registration fees include all session materials.

## **Select One or Two Sessions!**

Attendees may select the morning session, the afternoon session, or SAVE by selecting dual sessions. **Register for the meeting in one of two ways:**

1. Register securely online by going to <https://www.123signup.com/event?id=dxnmp>, or
2. Fax or mail the form included in this brochure to the NCSEPS.

## **Registration Cancellation/Questions**

Cancellations received prior to January 24 will be refunded, less \$25. Refunds will not be given after that date. For questions, contact [nlowe@ncmedsoc.org](mailto:nlowe@ncmedsoc.org) or call (919) 833-3836.

## **Americans with Disabilities Act**

The NC Society of Eye Physicians and Surgeons is fully committed to the principle of equal educational opportunities for all individuals and does not discriminate on the basis of any characteristics protected by federal or state law. If you require any of the auxiliary aids or services identified in the Americans with Disabilities Act in order to participate in this conference, please call the NCSEPS at (919) 833-3836 no later than ten business days before the date of the activity.

## **Attire**

The attire for the meeting is business casual. Meeting rooms can be chilly so we advise bringing a sweater or jacket.

## About the Faculty

**Sue Vicchilli, COT, OCS** is the Academy's coding executive. She has 30 years of experience in ophthalmology including all aspects of coding, reimbursement, practice management, and clinical and surgical assistance. Sue is the author of AAOE's "Coding Bulletin," Ophthalmic Coding Coach, Ophthalmic Coding Series and EyeNet Magazine's "Savvy Coder."

### **Submit Your Questions**

Attendees may submit their coding and documentation questions to [codequest@aao.org](mailto:codequest@aao.org) prior to January 20 to receive customized answers during the course.

# Ophthalmology Practice Management Session

To address the needs of ophthalmologists and their office staff, the American Academy of Ophthalmic Executives (AAOE) is developing a Practice Management Session to complement this year's CODEquest. The session will be offered following the CODEquest session, and will provide an additional three hours of education. Registration discounts will apply to those registering for both sessions.

Watch your e-mail for more details on the Practice Management Session.

# CODEquest Conquering ICD-10-CM

Sue Vicchilli, COT, OCS

## Prepare for ICD-10-CM in Just Four Hours!

CODEquest simplifies the new ICD-10 rules.

- Cross-walk from ICD-9 to ICD-10
- Identify similarities between ICD-9 and ICD-10
- Determine how to code the most commonly reported codes with the aid of decision trees
- Learn to use ICD-10 in a logical step-by-step way to increase coding efficiency

CODEquest translates ICD-10 jargon into plain English.

- Understand ICD-10 terminology
- Decode the numbers and letters that make up ICD-10

CODEquest shows how ICD-10 works through real-life case studies.

- Practice selecting ICD-10 codes for different types of conditions, especially challenging cases, and those involving systemic diseases

CODEquest outlines the roles and responsibilities of key personnel for successful ICD-10 implementation.

- Clarify roles of administrators, technicians, coders and billers
- Find out what physicians can't delegate

## Accreditation Statement

The American Academy of Ophthalmology is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

## Designation Statement

The American Academy of Ophthalmology designates this educational activity for a maximum of 4 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## JCAHPO CE Credits

Ophthalmic allied health professionals receive 4.0 JCAHPO "A" CE Credits for completion of this course.\*

## AAPC CE Units

This program has prior approval from the American Academy of Professional Coders for 4 Continuing Education Units.\* Granting of this approval in no way constitutes endorsement by the Academy of the program, content or the program sponsor.

\*Unless otherwise specified

## Disclaimer

The American Academy of Ophthalmology specifically disclaims any and all liability for errors in, omissions from, or use of any information provided by the American Academy of Ophthalmology, its employees, agents, or representatives, including but not limited to, injuries or other damages of any kind for any and all claims that may arise out of the use of any idea, technique or method demonstrated or described in any material by any presenter and/or author, whether such claims are asserted by a physician or any other person.

All information provided by the Academy, its owners, agents, or representatives who participate in the Academy's AAOE practice management and coding services is based on information deemed to be current and reliable. The Academy does not provide legal or accounting services or advice, and Society and the course attendees should seek legal and/or accounting advice as appropriate to them, their owners, employees, agents, or representatives. Practice management, coding and reimbursement are complicated processes involving continually changing rules and the application of judgment to factual situations. The Academy does not guarantee or warrant that either public or private payers will agree with its opinions. The Academy shall not be liable to Society and course attendees to any extent whatsoever for inadvertent errors in or omissions from any such information provided by the Academy, its employees, agents or representatives. The Academy's sole liability for providing the practice management and coding information shall be limited to the amount paid to the Academy for the practice management and coding service.
