About the Faculty

Sue Vicchilli, COT, OCS has over 25 years of ophthalmic experience including all aspects of coding, reimbursement, practice management, clinic and surgical assistance. Sue is the Academy's coding executive, the author of EyeNet's "Savvy Coder" and AAOE's "Coding Bulletin," the *Ophthalmic Coding Coach*, and the *Ophthalmic Coding Module Series*.

Credit

CME Credit for Physicians

The American Academy of Ophthalmology is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The American Academy of Ophthalmology designates this educational activity for a maximum of six general *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

AAPC Continuing Education Units

This program has prior approval of the American Academy of Professional Coders for 6.0 Continuing Education Units. Granting of this approval in no way constitutes endorsement by the Academy of the program, content or the program sponsor.

JCAHPO CE Credits

This course has been approved for six JCAHPO "A" CE credits.

The American Academy of Ophthalmology specifically disclaims any and all liability for errors in, omissions from, or use of any information provided by the American Academy of Ophthalmology, its employees, agents or representatives, including but not limited to, injuries or other damages of any kind for any and all claims that may arise out of the use of any idea, technique or method demonstrated or described in any material by any presenter and/or author, whether such claims are asserted by a physician or any other person.

Information

In preparation for the biggest change in coding in over 20 years, the North Carolina Society of Eye Physicians and Surgeons and American Academy of Ophthalmology and the American Academy of Ophthalmic Executives have added an ICD-10 session to the 2012 CODEquest Coding College. This new course will teach ophthalmic professionals how to implement ICD-10 smoothly and successfully. ICD-10 is going to change everything!

This important course will be offered on Saturday, February 4, 2012, at the Grandover Resort and Conference Center in Greensboro, NC. Register by January 10 to receive the early-bird rate. Continental breakfast and lunch are included, along with workbooks.

Six hours of CME, Category A JCAHPO CEUs and AAPC CEUs are available.

Register for the meeting in one of two ways:

1. Register securely online by going to <https://www.123signup.com/event?id=cmksk>, or
2. Fax or mail the form included in this brochure to the NCSEPS.

Registration Cancellation/Questions

Cancellations received prior to January 20 will be refunded, less \$25. Refunds will not be given after that date. For questions, contact nlowe@ncmedsoc.org or call (919) 833-3836.

Americans with Disabilities Act

The NC Society of Eye Physicians and Surgeons is fully committed to the principle of equal educational opportunities for all individuals and does not discriminate on the basis of any characteristics protected by federal or state law. If you require any of the auxiliary aids or services identified in the Americans with Disabilities Act in order to participate in this conference, please call the NCSEPS at (919) 833-3836 no later than ten business days before the date of the activity.

Attire

The attire for the meeting is business casual. Meeting rooms can be chilly so we advise bringing a sweater or jacket.

Schedule

7:15-8:30am	Registration Continental Breakfast (included)
8:30am-12:00pm	Morning Session
10:00-10:30am	Break
12:00-1:00pm	Lunch (included in registration fee)
1:00-4:30pm	Afternoon Session
2:30-3:00pm	Break
4:30pm	Adjourn

Submit Your Questions

Attendees may submit their coding and documentation questions to codequest@aao.org prior to January 20 to receive customized answers during the course. Mention you are attending the NC course.

Topics to be Covered

Morning Session

Step-by-step instructions to give participants ICD-10 confidence!

- » How physician and technician documentation must change;
- » What coders and billers need to watch for to assure claims are submitted accurately;
- » What administrators/office managers need to know to assure a smooth transition and coding compliance;
- » Practical application and real-world examples to assure proficiency with ICD-10

Afternoon Session

- » What's new in 2012: CPT, ICD-9 (big changes!), PQRS, E-RX;
- » Exams scenarios:
 - Two exams, same patient, same day, same doctor
 - Two exams, same patient, same day, different doctors
 - Four levels of glaucoma evaluation
 - Exams same day as intravitreal injections
 - Exams related and unrelated to the surgery
 - And more!
- » Modifier challenge: Test your competency;
- » Complex surgical cases from all specialties involving multiple procedures - same session;
- » Complications during global period - payable or not;
- » Testing services: What is billable together, what is not;
- » By popular demand: What's wrong with this picture. Learn to solve coding quandaries!
