

And the best business climate starts with a *high degree of expertise.*

Finance

Fahrenheit Finance provides the insight and expertise that executives need to enhance their finance and accounting organization and drive their business forward. Our team leverages true real-world experiences to deliver cost-effective, hands-on solutions that improve finance organizations, processes, and systems. Harness the power of our team of CFOs, controllers, and other professionals for a specific project or to augment your team on an ongoing basis.

- » Interim Leadership
- » Fractional CFO & Controller Services
- » Accounting & Finance Project Consulting
- » Accounting & Operational Assessments

Advisors

Fahrenheit Advisors brings experience-based, C-suite thinking to our clients. Our consultants arm leadership teams with the strategy, knowledge, and expertise to inform decision-making and drive value. Be better equipped to reach your desired outcomes with the guidance and support of our consultants who deliver expert navigation through even the most complex business situations.

- » Business Strategy Development & Execution
- » Value Creation
- » Transaction Readiness, Advisory, & Integration
- » Operations & Supply Chain Optimization
- » Leadership Mentoring & Development

Talent

Fahrenheit Talent helps businesses assess the existing organization, identify gaps, define roles, and obtain the human capital needed to achieve their strategic goals. We build winning teams based on the unique perspectives we have as part of a larger management consulting firm. Our team of on-demand HR experts provides the knowledge and experience you need to make informed employee-related decisions to help your company grow to the next level.

- » C-Suite Executive Search & Assimilation
- » Professional-Level Recruiting
- » Management Assessment, Role Definition, & Compensation

“Fahrenheit has delivered the top-notch CFO capabilities we need as we progress through negotiations with a large strategic partner. Their outstanding, seasoned team members and fractional model are a great fit for emerging-growth companies in need of strategic finance expertise.”

— Ramin Karimpour, Founder and CEO, Applied Life Sciences & Systems

“Fahrenheit provides us with outstanding, seasoned professionals who understand our business, bring top-notch expertise and are exceptionally focused on execution and client satisfaction. I truly value their advice and support as we continue our growth.”

— Scott Pontius, CFO, The Select Group

“Fahrenheit’s exceptional professionals worked seamlessly alongside our internal team. In my view, I believe Fahrenheit is a “go-to” firm for CEOs and CFOs looking to leverage the knowledge of experienced finance professionals who deliver measurable outcomes.”

— R. Eric Teague, CFO, ARCA
