

WHAT YOU NEED TO KNOW

- » March 30, National Doctors' Day, is a time to recognize and celebrate our physicians.
- » For the second year, the NCMS is continuing our homegrown tradition – North Carolina Doctors' Day.
- » The heart of NC Doctors' Day is an opportunity for patients and the public to nominate and vote for the 2016 North Carolina Doctor of the Year Award.
- » Statistics show that nearly half of all US physicians feel unappreciated – so our goal is to encourage patients and colleagues to show them love.
- » As the lead sponsor, NCMS is donating a \$5,000 grand prize to the winner of the NC Doctor of the Year Award.
