WE CARE ABOUT YOU AND YOUR CAREER!

North Carolina Medical Society (NCMS) membership offers you resources to be successful and opportunities to be a leader in your profession. As a member of the oldest and largest organization representing North Carolina physicians and physician assistants, you have access to rich networking opportunities and a strong political voice on health care issues important to you and your patients. No matter where you are on your professional career path, the NCMS can benefit you.

TOP 10 NCMS BENEFITS YOU CAN USE NOW:

1. **NCMS Online Membership Directory:** A searchable online listing of all current NCMS members. www.ncmedsoc.org/directory
2. **NCMS eBulletin:** NCMS staff experts compile and analyze the most important state and national health care news and deliver it directly to your inbox to keep you 'ahead of the curve.'
3. **Surviving – and thriving – in the 'move to value':** MACRA, MIPS, MU, EDIM. Our staff can help you make sense of this 'alphabet soup' of new government initiatives, and how to leverage them to your advantage. Be sure to utilize our "Quality Time with the NCMS" blog; toolkits and other resources available through our Toward Accountable Care Consortium and Initiative; our frequent webinars and educational offerings—all of which can help you survive and thrive in this new world.
4. **NCMS Practice Consulting Services:** If you need hands-on help in your practice, our consultants are standing by. Whether its assistance implementing an HIT system, achieving PCMH or PCSH designation, or a financial analysis of your business model, we're here for you.
5. **NCMS Solution Center:** Have a question to be answered right away? Contact our Solution Center Specialist, who can help you find answers. Call 919-833-3836 x142, or submit your question at www.ncmedsoc.org/solutions. We'll get you an answer ASAP.
6. **Leadership Development Programs:** The highly regarded Kanof Institute for Physician Leadership offers three distinct tracks of leadership development programs to meet your needs and interests. www.ncmedsoc.org/KIPL
7. **Employed physician and hospital-medical staff resources:** To assist this growing segment of physicians and PAs, we have compiled the Model Medical Staff bylaws, which complies with the latest regulations. We also have partnered with Poyner Spruill LLP, Attorneys, to provide analysis and comment on existing medical staff bylaws.
8. **NCMS Marketplace:** Visit the Marketplace to shop for competitively priced practice management services and other resources – and save. www.ncmedsoc.org/partners
9. **NCMS Employee Benefit Plan:** Take advantage of our health, life and dental plans for your employees. Learn more at www.ncmsplan.com.
10. **NCMS Events:** We sponsor and participate in numerous events, webinars, and lectures throughout the year. Our Board of Directors holds meetings throughout the state to encourage your input wherever you live or work. Our annual meeting offers the chance to connect with colleagues and attend a diverse array of educational sessions. This year's conference, **M3: Merging Medicine and Management** is being held jointly with the NC Medical Group Management Association on **Sept. 15-18, at the Grandover Resort in Greensboro**. The North Carolina Medical Society (NCMS) began in 1849 when 25 physicians united to advance medical science and to raise the standards for their profession. Today, over 167 years later, we are more than 11,000 strong and champion the same goals and ideals. As the oldest and largest physician organization in the state, the North Carolina Medical Society devotes itself to representing the interests of physicians and protecting the quality of patient care.
