2016 Annual Meeting Program
April 8-10, 2016
Grandover Resort, Greensboro, NC

This activity is jointly provided by the American College of Obstetricians and Gynecologists.
Meeting Objectives

At the conclusion of this educational activity participants should be able to:
- Describe and justify LARC as first line contraception for appropriate patients.
- Discuss how Medicaid policy and decision making are formed.
- Increase awareness of screening opportunities based on USPTF report.

ACCME Accreditation

The American College of Obstetricians and Gynecologists (ACOG) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA PRA Category 1 Credit(s)™

The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 11 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

College Cognate Credit(s)

The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 11 Category 1 ACOG Cognate Credits. The College has a reciprocity agreement with the AMA that allows AMA PRA Category 1 Credit(s)™ to be equivalent to College Cognate Credits.

Disclosure

The NCOGS adheres to ACCME Essential Areas and policies regarding industry support of continuing medical education. Commercial support for the program and faculty relationships within the industry will be disclosed at the activity. Speakers will also state when off-label or experimental use of drugs or devices are incorporated in their presentations.

Please Note

Attendees may not record, photograph or transmit presentations without explicit approval. Thank you for your cooperation.

Hospitality Suite

The NCOGS invites all meeting participants and their guests to stop by Suite #1101 (11th floor) to enjoy a visit over a beverage with friends and colleagues!

The Hospitality Suite will be open on Friday from 7:00pm-10:00pm, and on Saturday from 4:00pm-6:30pm.
