

2016 NC Get Smart Kids' Artwork Competition Winners

The NC Get Smart Campaign thanks all children who participated in the first NC Get Smart Kids' Artwork Competition. The winners' artwork will be used as official posters for the NC Get Smart Campaign. Look for the posters in doctor's offices and school health centers across the state.

Congratulations to the winners of the 2016 Get Smart Kids' Artwork Competition!

Pre-K – 2nd Grade

Flu Checklist:

Thermometer?

Glass of water?

Antibiotics?

I got sick/flu in kindergarten!
and missed my class field trip!

Antibiotics do not treat the flu. Get smart about antibiotics.

Visit <http://epi.publichealth.nc.gov/cd/antibiotics/campaign.html> for more information.

Pre-K – 2nd Grade

Arianna Mindel, Morrisville, NC, 2nd Grade

3rd - 5th Grade

Artwork submitted by Jaden Hodges of Murphy, NC- Winner of the 2016 NC Get Smart Kids Artwork Competition

Some bacteria can become resistant to antibiotics and cause infections. **Washing your hands keeps you and others healthy.**

Visit <http://epi.publichealth.nc.gov/cd/antibiotics/campaign.html>

for more information.

Jaden Hodges, Murphy, NC, 5th Grade

3rd - 5th Grade

Want to be a superhero? Wash your hands!

By keeping your hands clean, you get rid of germs that can make you or others sick.

Less Germs = Less Antibiotics

Be a superhero. Get smart about antibiotics.

Artwork submitted by Jesus Sanchez-Ochoa of Creswell, NC- Winner of the 2016 NC Get Smart Kids Artwork Competition

Jesus Orlando Sanchez-Ochoa, Creswell, NC, 4th Grade

6th - 8th Grade

Artwork submitted by Melanie Gall of Raleigh, NC- Winner of the 2016 NC Get Smart Kids Artwork Competition

Sometimes you need antibiotics to make you well again.

Sometimes you don't.

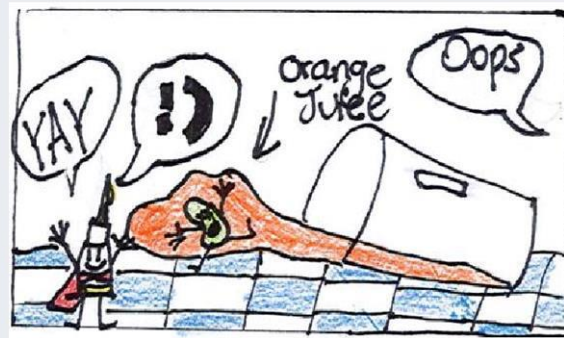

Know the difference - Only take antibiotics when needed.

Visit <http://epi.publichealth.nc.gov/cd/antibiotics/campaign.html> for more information.

Melanie Gall, Raleigh, NC, 8th Grade

6th - 8th Grade

Artwork submitted by Seven Mitchell of Raleigh, NC- Winner of the 2016 NC Get Smart Kids Artwork Competition

Just because you are sick does not mean you need antibiotics.

Get smart about antibiotics and protect yourself against disease.

Visit <http://epi.publichealth.nc.gov/cd/antibiotics/campaign.html> for more information.

Seven Mitchell, Raleigh, NC, 6th Grade
