North Carolina Obstetrical & Gynecological Society
& NC Section of ACOG

April 19-21, 2013 - Grove Park Inn Resort & Spa - Asheville, NC
This activity is jointly sponsored by the American College of Obstetricians & Gynecologists
Welcome to the 2013 Annual Meeting of the North Carolina Obstetrical and Gynecological Society and North Carolina Section of ACOG. This meeting is designed for practicing and academic obstetric and gynecological physicians, mid-level providers, residents and medical students, and will address common conditions and concerns related to women’s health care.

Educational Objectives
Upon the conclusion of this educational activity participants will be able to:

- Assess advances in virology and immunology that influence cervical cancer screening.
- Identify appropriate candidates for medical and surgical interventions to prevent preterm birth.
- Incorporate minimally invasive surgical approaches into GYN practice.
- Assess different modalities for electro-surgery. Recognize appropriate actions when faced with malpractice claims or credentialing challenges.
- Discuss the impact of infection and hemorrhage on maternal mortality in the developing world.
- Utilize evidence-based strategies to assess women with complaints of urinary leakage.
- Compare traditional practice models for OBGs to those relying on hospitalists.

ACCME Accreditation
The American College of Obstetricians and Gynecologists is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA PRA Category 1 Credit(s)™
The American College of Obstetricians and Gynecologists designates this educational activity for a maximum of 12 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

College Cognate Credit(s)
The American College of Obstetricians and Gynecologists designates this educational activity for a maximum of 12 Category 1 College Cognate Credits. The College has a reciprocity agreement with the AMA that allows AMA PRA Category 1 Credits™ to be equivalent to College Cognate Credits.

Disclosure of Faculty and Industry Relationships
In accordance with College policy, all faculty and planning committee members have signed a conflict of interest statement in which they have disclosed any significant financial interests or other relationships with industry relative to topics they will discuss at this program. At the beginning of the program, faculty members are required to disclose any such information to participants. Such disclosure allows you to evaluate better the objectivity of the information presented in lectures. Please report on your evaluation form any undisclosed conflict of interest you perceive.
