

UNC HEALTHCARE IN PARTNERSHIP WITH THE NC COALITION AGAINST DOMESTIC VIOLENCE  
PRESENTS:

## Screening for Intimate Partner Violence in the Clinical Setting

*A training for health care professionals, clinical support staff, social workers, community partners, and allied professionals.*

**September 18, 2015**

**9:00am-4:00pm**

**Durham, NC**

*Are you prepared to implement the new ACA requirements around IPV screening? Do you know the current best practice standards for IPV screening? Would you know how to respond to a positive screen? Let us help you gain skills and comfort around screening!*

### **Topics include:**

- Introduction to Intimate Partner Violence (IPV)
- Best practices for IPV screening in clinical settings
- Trauma-informed care for health professionals
- Working in Teams to provide comprehensive IPV care
- Building partnerships and providing referrals

**Fee:** \$25.00 for students

\$150.00 for health care professionals and clinical staff

**Agencies will receive a 20% discount if two or more staff attend**

**TO REGISTER: <http://nccadv.org/training/training-calendar> OR**

**CONTACT FELICIA VINSON AT 919-956-9124.**

**SCHOLARSHIPS ARE AVAILABLE.**
